**Northeast Florida Safety Council Offers
Safety Tips For The Holidays**

Jacksonville, Florida; Dec. 10, 2016 – The Northeast Florida Safety Council, Inc. (NEFSC) encourages everyone to use safe practices for every aspect of their holiday activities.

The Council’s safety concerns include the areas of decorating, ladder safety, hosting and food safety and vehicle preparation. These areas are in addition to responsible drinking of alcoholic beverages at holiday and office parties.

NEFSC offers a list of specific holiday safety tips from The National Safety Council (see attached list). The organization also has a holiday recipe book for making non-alcoholic beverages for designated drivers for Christmas and New Years called “Recipes For The Road.” They are available for free at the NEFSC offices at 1725 Art Museum Drive, Jacksonville, Florida 32207.

“We want everyone to enjoy their holiday festivities,” reported Shana Harvey, public relations director for NEFSC. “But we also want everyone to be safe in the process.”

NEFSC is a non-governmental, not-for-profit, public service organization dedicated to promoting good health, saving lives, preventing accidents and maintaining a safe environment through workplace safety programs, road safety training programs and community service. With four locations throughout the First Coast, NEFSC offers classroom safety courses in addition to online training. For more information about the organization’s services, call 904-399-3119 or visit NEFSC.org.
